GRADE VIII – X

Two Academic Pathways. *Your Choice.*

At Glentree Academy, students can choose between two academic programmes based on their learning goals and aspirations.

OPTION 1

Glentree Regular CBSE Programme

Holistic learning and well-rounded development

Strong Academics. Holistic Development.

- CBSE curriculum with conceptual and experiential learning
- STEM exposure through hands-on learning and practical activities
- Critical thinking, creativity and communication skills
- Sports, arts and diverse co-scholastic opportunities
- Balanced academic and personal development

OPTION 2

Glentree–ALLEN Integrated Programme (GAIP)

Advanced STEM and competitive-exam foundations

Advanced STEM Learning. Competitive-Exam Preparedness.

- CBSE academics integrated with ALLEN programme
- Advanced Mathematics and Science learning through ALLEN
- Analytical thinking and higher-order problem-solving
- Foundation for JEE, NEET and other competitive examinations
- Structured assessments and focused academic preparation
- ALLEN classes integrated into the school timetable

Two Pathways. *One Commitment to Student Success.*

GRADE XI - XII

THE GLENTREE–ALLEN INTEGRATED PROGRAMME

A structured CBSE Science programme combining academic rigour, advanced subject learning and focused JEE/NEET preparation.

Choose Your Subject Combination

ENGINEERING PATHWAY

- Physics
- Chemistry
- Mathematics

JEE PREPARATION PATHWAY

MEDICAL PATHWAY

- Physics
- Chemistry
- Biology

NEET PREPARATION PATHWAY

COMPULSORY SUBJECT : ENGLISH CORE
ELECTIVE OPTIONS : COMPUTER SCIENCE OR PHYSICAL EDUCATION

- Focused JEE and NEET preparation with ALLEN's subject expertise
- In-depth conceptual learning and advanced problem-solving
- Regular assessments, practice tests and performance monitoring
- Coordinated CBSE academics and competitive-exam preparation
- Greater academic focus as students progress towards Grade 12

THE INTEGRATED. *Learning Experience.*

- CBSE-aligned academics with advanced learning and competitive-exam preparation.
- Specialised ALLEN faculty for Science and Mathematics.

- Concept-building, problem-solving and regular academic assessments.
- Coordinated academic planning between Glentree and ALLEN.

- Access to Glentree's science laboratories, library, sports and co-scholastic opportunities.

One School Day. Two Academic Goals.

More Time for Life.

With school academics and competitive-exam preparation integrated into the timetable, students have more time after school for independent study, relaxation and pursuing their interests.
